MISSION AND VISION

As a central ministry of our parish, St Joseph School-Fullerton educates children in PreK4 through 8th grade in the Catholic faith. Our mission is to cultivate an environment of academic excellence and spiritual growth within a loving faithful community committed to family, discipleship and evangelization.

HISTORY OF SCHOOL

To understand and appreciate the St. Joseph School-Fullerton of today, it is important to go back to the 1850's. St. Joseph Parish was founded by the Redemptorist Fathers in 1850 on Bucks Schoolhouse Road. The first school, attended only by boys, was started in the late 1850's. In 1869 the school was moved to the present location, and at that time girls were admitted. The convent was the original school on the Belair Road property.

The original Church was built by the parishioners in 1870. A new beginning was realized with groundbreaking for the present Church in April 1970. The present Church was dedicated on December 14, 1971. In 1877, the first permanent pastor, F. J. Miller was appointed. His first act as pastor was to apply to the Institute of the Sisters of the Third Order of St. Francis (Philadelphia Foundation) at Glen Riddle, Pennsylvania, for religious to staff the growing school. A convent adjoining the school was erected. Sr. Jerome was the first Superior of the Community of two. The portion of our present building which contains the Gymnasium and Pre-K(formerly the Supper Room) was dedicated in 1925 (renovations were made in 1989). Four classrooms were added to this building in 1931. Another addition to the school was made in 1958. The latest addition which houses the media center (library), 2 classrooms, and a conference mini-room was completed in 1982.

St. Joseph School-Fullerton is staffed by a dedicated faculty who continue the mission and message of St. Francis of Assisi and St. Clare. The parish clergy are involved as chaplains in the school. The school is organized into Pre-Kindergarten, Elementary School (K-5), and Middle School (grades 6-8).

Administration

St. Joseph School-Fullerton's faculty is dedicated and committed to the ideals inherent to Catholic education. As the Franciscan Sisters before them, they strive to foster within the students the spirit of St. Francis, namely, peace, kindness, and respect for all. Their teaching ministry is a positive role model of Catholic Christian living, witnessed by a commitment to the students and the school. St. Joseph's professional, qualified teachers evaluate and improve themselves in ways that express their student-centered dedication. Evaluations, both formal and informal, followed by dialogue, effectively affirm the efforts of the teacher and encourage growth. The faculty is a cohesive guiding force striving to continue the tradition of religious and academic excellence.

Acknowledging the parent as the primary teacher and a valued member of the school family, the faculty fosters cooperation between home and school and encourages productive two-way lines of communication. Mutual support of values among faculty and parents helps strengthen the Catholic mission of the school and gives the students a positive sense of self.

In view of a changing society, the school addresses the physical, intellectual, spiritual, and social maturation of each student. St. Joseph School-Fullerton strives to create a mutually supportive atmosphere that cultivates self-respect, personal dignity, respect for others, and an appreciation of the diversity in our society.

We strive to instill in our students that:
“Together We Learn, Pray, and Serve”

ACADEMICS

Accreditation

St. Joseph School-Fullerton was first granted accreditation by the Middle States Association of Colleges and Schools in August of 1980. The school continued to be fully re-accredited by MSA until the spring of 2010. At that time, the Archdiocese of Baltimore obtained Diocesan Accreditation for all schools from the Southern Association of Colleges and Schools, Council on Accreditation and School Improvement through the protocol of Advanced Ed. As a result St. Joseph School-Fullerton is accredited by Cognia through June 2027. In accordance with standards set by the Archdiocese of Baltimore, St. Joseph School-Fullerton met the requirements established by the Cognia Accreditation Commission and Board of Trustees and was thereby accredited by the SACS Council on Accreditation and School Improvement.

Instruction/Curriculum

St. Joseph School-Fullerton follows the Course of Study for curriculum content as prescribed and created by the Archdiocese of Baltimore. Curriculum programs are implemented by our faculty under the leadership of the principal. The instructional program includes the academic areas required by the Archdiocese of Baltimore and the Maryland State Department of Education. Time allotments and curriculum guidelines are established by the Division of Catholic Schools. The Archdiocese’s Course of Study serves as the foundation for our curriculum and programs as

well as a vision for tomorrow. Curriculum content is developed through faculty selection of appropriate grade level and schoolwide materials.

The Archdiocese Course of Study guidelines includes Religion, Reading, Language Arts (Phonics, English, Spelling, Penmanship), Mathematics, Social Studies, Science, Computer, World Language (Spanish), Art, Music, Physical Education, and STEM. Our curriculum strives to meet the needs of each child. It reflects our efforts to educate the whole child intellectually, spiritually, physically, socially, and emotionally. The development of strong Christian values in the Catholic tradition is our primary aim. Our Catholic faith is the focal point of our educational process, and it permeates all that we teach and do.

The Archdiocesan Family Life Program presents the curriculum in human sexuality through positive and prudent instruction in moral, spiritual, psychological, emotional, and physiological development. Parents are informed about the program prior to instruction. We recognize the right(s) of parents to decide whether their child should participate in the program. Requests to exclude the child must be made in writing.

In concert with grade level, classroom teachers establish procedures such as work habits, make-up work requirements, test procedures, and selection of support materials. These procedures are listed in the information distributed in September, stated on the teacher's website, and discussed with the students.

Promotion Requirements

Students are promoted to the next grade upon successful completion of all subjects in a given year.

Retention

Students who do not successfully complete the required educational program may be retained at the current grade level. This decision is made by the principal in consultation with the parents after following the timeline described below.

Teachers should communicate with parents on a regular basis regarding the child's progress. By mid-February, the teacher, principal, parents, and student review the student's work performance to date and discuss his/her educational needs for the remainder of the year and the possibility of failure and/or retention. This meeting is followed by a written communication to the parents reviewing the content of the meeting, including the educational plan.

Graduation Requirements

Students in 8th grade who successfully complete the course of study as outlined by the Archdiocese of Baltimore, will be awarded a diploma at the end of the school year. An 8th grade student must be in good academic, financial and behavior standing in order to participate in the end of the year graduation activities.

Honor Roll for students in Grades 6-8

Students in grades 6-8 who demonstrate high academic achievement and who positively impact the learning environment are placed on Honor Roll based on the following criteria:

First Honors– All A's and Satisfactory or better in all special classes, standards, effort, and conduct including unstructured time.

Second Honors – All A's and B's (more A's than B's) and Satisfactory or better in all special classes, standards, effort, and conduct including unstructured time. Equal amount of A's and B's do not qualify for honors.

Principal's Scholars' Dinner

Students who earn Honors all three trimesters are invited to a celebration the following fall known as the Principal's Scholars' Dinner.

National Junior Honor Society

The St. Joseph-Fullerton Chapter of the National Junior Honor Society was established in February of 1999. Membership in the NJHS is based on national guidelines and in alignment with local Archdiocese of Baltimore schools. Students are invited in the beginning of their 7th or 8th grade to apply for membership based on their exemplary academic achievement (an all "A" final average **OR** an all "A" with one B+ final average in all graded subjects in 6th or 7th grade), Students are then required to submit: a student resume; two teacher recommendations; one personal recommendation; and a letter explaining why they feel they are deserving of membership in the NJHS. A Faculty Council of five members reviews all documents submitted

and votes on acceptance or rejection of membership. An induction ceremony is held to celebrate their accomplishment.

Once members of the National Junior Honor Society, students are expected to maintain their academic standing, uphold the school Code of Conduct, and take an active role in service and leadership in their school community. Offenders of the school Code of Conduct will receive written notification of warning, probation, or possible dismissal as stated in the NJHS St. Joseph School Chapter by-laws. If a member's academic performance falls below the standards in effect when selected/inducted, the student will not be invited to retain membership the following year.

Extracurricular Activity Status

In order to continue to participate in any of the extracurricular activities at SJS, a student's grades and/or conduct must remain in good standing. Final decisions are designated by the Administration.

Progress Reports and Interim Reports

The schools of the Archdiocese use a student information system known as PowerSchool. This is a data-driven system that assists parents, teachers, and administrators in maintaining school records and academic progress. This system is designed to provide a very informative tool for reporting to parents. Communication is the key to any successful school career.

Interims are distributed three times per year to grades K through 8 at the midpoint of each trimester. Progress Reports (Report Cards) are distributed three times per year to grades PreK through 8 at the end of each trimester. Parents of students in grades 3-8 can use their PARENT ACCESS in PowerSchool to check on a student's progress at any time during the school year. Parent Access requires that parents complete the online training session, receive the access codes for each child, and have Internet capabilities. Parents are encouraged to review their child's records frequently (weekly) and contact the teacher with questions or concerns as they arise. Teachers will update PowerSchool weekly.

Exams

Exams are given in early February and May/June in grades 4 through 8. The goal is to reinforce study habits, teach long-range study habits, and prepare students for high school programs. The weight of exam grades on report card grades varies from level to level and subject to subject. Teachers will spend time each semester teaching the study skills that will help students prepare for exams.

Testing Programs Include:

- **Standardized Testing-** All Archdiocesan schools administer the achievement test designated by the Department of Catholic Schools in prescribed grades. Elementary school students in grades 2-8 are administered the MAP Assessment three times a year to

measure growth. Grades 3, 5, and 7 also take the Science Assessment each Spring. Pre K and Kindergarten students are administered the BRIGANCE developmental screenings. Parents are given feedback as to how their child is scoring at the end of the year.

- **ACRE Testing-** All students in grades 5 and 8 are given the ACRE (Assessment of Child/Youth Religious Education) the spring of each school year. This assessment gives information for growth to each school as it assesses how well the religious education program is forming Christian disciples. This is a school assessment and no individual student scores are given. These tests are distributed by the National Catholic Education Association to measure knowledge of Religion in content and application to life situations.
- **Reading and Math screenings-**These are administered to all incoming students for grades 1 through 8 soon after registration. The purpose of these tests is to help evaluate the new student concerning reading and math programs and groups at St. Joseph School. Parents will be notified if these screenings indicate that the school cannot successfully meet the needs of the student. Parents will also be notified if summer reinforcement work is recommended or required for admission.

Parent / Teacher Conferences

A specific day is designated for conferences towards the middle of the first trimester. Other conferences may be scheduled throughout the year at a parent's or teacher's request. Whenever conferences are necessary, please make an appointment with the teacher concerned. These requests may be made by note, email, or by calling the school office. The teacher will set a time for the conference. Conferences are typically before or after the school day.

Please DO NOT call the teacher's home or cell phone. Teachers have the right to keep their home/cell phone numbers private. If caller ID services prevent a teacher from contacting a parent/guardian, an alternative method of communication will be agreed upon.

Parents are not to visit the teacher before the start of school or during the school day without an appointment.

High School Admissions and Visitation Policy

Students in eighth grade are allowed three excused absences in order to spend the day at prospective high schools. Parents must provide written notification of date and location prior to the visit and return confirmation of attendance to the school office. Students in seventh grade are allowed one excused shadow day in the second half of the year. The high school must provide advance and follow-up notification that the student is welcome and has subsequently attended.

Student Records

Student records are maintained in the school office or a designated administrative area. Access to records is governed by the Records Policy.

Records Policy (Family Educational Rights and Privacy Act)

St. Joseph School-Fullerton complies with the Family Educational Rights and Privacy Act (FERPA), which is a Federal law that protects the privacy of student education records. In general, FERPA gives parents certain rights with respect to education records. (The rights granted to parents under FERPA automatically pass to the student when the student turns 18 or enrolls in college.) These rights and related procedures of St. Joseph School-Fullerton are as follows:

- Parents have the right to inspect and review the student's education records maintained by the school. Parents should submit to Chrissie Ashby, the principal, a written request that identifies the record(s) they wish to inspect. The School will make arrangements for access and notify the parent of the time and place where the records may be inspected.
- Parents have the right to request that the school correct records they believe are inaccurate, misleading, or otherwise in violation of the student's privacy rights. Parents who wish to request an amendment of the student's records should write to Chrissie Ashby, and clearly identify the part of the record they believe is inaccurate or misleading and the information they believe should be included in a corrected record. If the school decides not to amend the record as requested, the school will notify the parent of the decision and the parent's right to request a hearing.
- Parents generally have the right to consent in writing to disclosures of information from a student's education record. However, there are certain exceptions to the consent requirement, including disclosures under the following conditions:
 - School officials who have a legitimate educational interest in the information. A school official is a person employed by the school or the Archdiocese as an administrator, supervisor, instructor, or support staff member (including health or medical staff); a person or company with whom the School has contracted to provide a service (e.g., attorney); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his/her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his/her professional responsibilities or duties to the School.
 - To other schools to which a student is transferring.
 - In connection with financial aid under certain circumstances.
 - To specified officials for audit or evaluation purposes.
 - To organizations conducting certain studies for or on behalf of the school.
 - To accrediting organizations.
 - In order to comply with a judicial order or lawfully issued subpoena.
 - To appropriate officials in cases of health and safety emergencies.

The school also may disclose appropriately designated “directory information” without written consent unless a parent objects in writing. The primary purpose of directory information is to

allow the school to include this type of information in certain publications. Examples of such publications include a playbill, showing the student's role in drama production; the annual yearbook; honor roll or other recognition lists; graduation programs; and sports activity sheets.

The school has designated the following as directory information shared when there is participation in officially recognized activities and sports.

Address
Telephone listing
Electronic mail address
Photograph
Honors and awards received
Grade and homeroom
Parents' names

Parents who do not want the school to disclose the above directory information without their prior written consent must notify Chrissie Ashby, Principal, in writing by ***Monday, September 11, 2023.***

A log must be maintained of each request for access to and each disclosure of educational record information other than disclosure to parents or students 18 or older or school officials. The log should contain the name of the person(s), the date, and the legitimate interests the person had in requesting or obtaining the information.

Parents have the right to file a complaint with the U.S. Department of Education concerning alleged failures by St. Joseph School-Fullerton to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-8520.

HOME AND SCHOOL ASSOCIATION

The Home And School Association (HASA) exists to partner with the school in providing support for both the academic and social aspects of the school. The Home And School Association promotes and sponsors fundraising activities in order to help provide and improve the quality of our educational programs and school life. Dues are collected annually via FACTS.

Officers for the Home And School Association are elected by the members of the Association. The board names and positions can be found in the official HASA bylaws which are posted on the school website.

Parent representatives are elected to assist parents throughout the year. The parent representatives are the voice of the parents at HASA Executive Meetings.

They are not, however, the place to go if there is a problem in the classroom or with a teacher. Please contact the teacher directly. Parent representatives are instructed not to involve

themselves in conflicts or problems that relate to personal matters between the home and school. Please refer to the CONFLICT RESOLUTION POLICY. Our parent representatives answer questions about volunteer activities, fundraising, etc. They bring inquiries and/or suggestions to the Executive Committee as needed.

All volunteers at the school or part of HASA events are required to complete the VIRTUS training.

1. To be a partner with the school in the education of your child.
2. To understand and support the Catholic mission and identity of the school.

Support, Partnership, and Compliance by Families

In cases of disregard of the direction of staff members, threats or threatening behavior, serious or repeated noncompliance with school policies or procedures, or other demonstrated lack of support or cooperation, whether by parent, child or other family member, the administration reserves the right to withdraw child/children from the school. Depending on the severity of the breach of partnership with the school, parent or other family members may be prohibited from entering the campus.

Federal Drug-Free Workplace Act's Applicability to Cannabis Use in Schools

There have been significant legislative changes at the state level around the use of cannabis in recent years. This year, the Maryland General Assembly enacted legislation that will allow individuals 21 and older to purchase cannabis products legally from a licensed dispensary, beginning on July 1, 2023. However, it is important to keep in mind that, despite these changes, cannabis continues to be classified as a Schedule 1 controlled substance under federal law, and its use remains illegal under federal law.

The policies and regulations set forth by the Federal Drug-Free Workplace Act apply directly to the use of cannabis in schools, including childcare facilities located in schools, even if such use might be permitted under State law. All employees, contractors, volunteers, and visitors are required to comply with this law and may not distribute, possess, use, or be under the influence

EMERGENCY ACTION PLANS

Crisis Intervention Plan/Crisis Team

In case of any emergency that affects the School/Parish community, a crisis intervention plan and team is in place to address and support the well-being of our students.

Fire and Safety Drills

The school has an Emergency Response Team that meets regularly to prepare for various types of emergencies. Students take part in fire and safety drills throughout the school year.

Emergency Information

Information for each child is to be kept current in School Admin and with the School Office. It is the parent's responsibility for keeping that information current. Children will only be released to the person(s) designated on the emergency form unless otherwise instructed by the custodial parent/guardian.

Emergency & Weather-related Closings/Delayed Openings

St. Joseph School-Fullerton follows the decision made by Baltimore County Public Schools (BCPS) for weather-related closings and late openings. If BCPS is not in session, listen for an announcement about "Catholic Schools of the Archdiocese of Baltimore..." or for "St. Joseph School-Fullerton".

Families must listen to the general media (television or radio) and follow the plan for Baltimore County Public Schools regarding closing and delayed openings. You will be notified about early dismissal through the SWIFT K-12 Messaging System via the phone numbers, email addresses, and/or optional text messages that you provided to the school.

Visitors

In order to ensure a safe environment for your child, all school doors remain locked during the school day. All visitors must report to the main office and check-in. All visitors will need identification in the form of a driver's license or state identification card and will receive an identification badge before visiting any other parts of the school building.

COMMUNICATION

Main Communication to Parents

In the best interest of students, the school welcomes and encourages communication between parents and teachers. Whenever a situation occurs that causes concern, the concern should be

addressed first at the level at which the situation arose. Teachers are seen by appointment. Please contact them directly by email or phone to schedule a mutually convenient time to meet.

Parents whose phone numbers are unlisted must give the school either the unlisted number or a number where the parent(s) can be reached. It is essential that the school have this information in case of an emergency. It will be kept in the strictest confidence. Any change of phone number or home address is to be given to the school office and homeroom teacher in writing within one week after the change is effective.

Calendar for School Year

The updated calendar is available on the school website at www.stjoeschool.org. The school calendar may adjust based on snow and other emergencies.

Wolfpack Weekly Email

This email comes out each week on Wednesday and is full of information for upcoming events, changes to the calendar when necessary, as well as events that are happening across the entire campus. We strongly encourage all parents to read this communication when it comes out each week so you are up to date with all of the information needed for you and your child to be successful and informed.

Notices/Newsletters

Keeping the lines of communication open between the school and home is of primary importance. Naturally, the student is a vital link in this line. Please stress the importance of delivering any and all forms of communication to the home. Most handouts and forms are sent home WITH THE YOUNGEST OR ONLY CHILD. Families are responsible for notifying the school office if any changes need to be made to email addresses.

Teacher Web Pages

Each teacher has created a web page. Important and current information about school and classroom may be read on these sites. The web pages may be accessed through www.stjoeschool.org. Go to the Parents Tab on the school website and click on Teacher Websites and then click on the teacher's name.

Email

Faculty and staff can be reached by emailing the school. To email, list the first initial and last name followed by "@stjoeschool.org." (For example: Mrs. Christina Ashby is cashby@stjoeschool.org.) Please allow teachers 48 hours to respond to your request. All names and email addresses are listed on our website.

Phones

Office phones are answered on school days from 7:30 AM until 3:30 PM. Our phone system also allows for emergency announcements regarding weather-related schedule changes or emergency situations. In general, students are not permitted to use the phone in the office as it is for business only. If an emergency arises, however, students may use the office phone. Forgetting gym clothes, books, homework, etc., is not considered “an emergency.” If a parent needs to get a message to a child, please call the office, and it will be delivered promptly. See “Student Cell Phone Policy” on pg 32 for more information.

Change of Address

A change of address, phone number, or emergency information should be reported to the school office immediately. This is important in the event of an emergency, as well as keeping our records up to date. We will honor your request to keep unlisted numbers confidential. In the case of changes please also advise the homeroom teacher.

Change in Name or Family Status

If there is a change in the family status/or the change of a child’s name, it is important that the school be informed promptly of the change. In case of a change of custody, a copy of the portion of the court order that describes the custody arrangements must be on file with the school.

Parental/Custody Changes

Please update the main office of any changes as they occur regarding custody. It is essential that we continue to have the most up to date information for your child(ren).

Non-custodial parents are welcome to review their child’s records unless there is a court order or legal agreement prohibiting such access. The school may notify the custodial parent of a request to review records. St. Joseph School-Fullerton does not allow a non-custodial parent physical access to his/her child during school hours or on school premises unless the custodial parent has consented or the school has a court order permitting access.

Emergency Form information for each child is to be kept current. Children will only be released to the person(s) designated on the emergency form unless otherwise instructed by the custodial parent/guardian.

SWIFT K-12

St. Joseph School-Fullerton families will receive emergency notifications and important updates via SWIFT K-12. St. Joseph School-Fullerton does not share or publish this contact information. All families are required to receive these notifications.

NON-DISCRIMINATION POLICY

“It is the policy of the State of Maryland that all public and publicly funded schools and school programs operate in compliance with:

- (1) Title VI of the Federal Civil Rights Act of 1964

- (2) Title 26, Subtitle 7 of the Education Article of the Maryland Code, which states that public and publicly funded schools and programs may not:
 - (i) Discriminate against a current student, a prospective student, or the parent or guardian of a current or prospective student on the basis of race, ethnicity, color, religion, sex, age, national origin, marital status, sexual orientation, gender identity, or disability;
 - (ii) Refuse enrollment of a prospective student, expel a current student, or withhold privileges from a current student, a prospective student, or the parent or guardian of a current or prospective student because of an individual’s race, ethnicity, color, religion, sex, age, national origin, marital status, sexual orientation, gender identity, or disability; or
 - (iii) Discipline, invoke a penalty against, or take any other retaliatory action against a student or parent or guardian of a student who files a complaint alleging that the program or school discriminated against the student, regardless of the outcome of the complaint.”

The State of Maryland does not require a nonpublic school that is religiously affiliated to enroll, retain, or extend privileges to a student or prospective student who does not meet the usual and regular qualifications, requirements, and standards of the program or school or to adopt any rule, regulation, or policy that conflicts with the program or school’s religious or moral teachings provided that the denial, rule, regulation, or policy is not based on discrimination on the grounds of race, ethnicity, color, religion, sex, age, national origin, marital status, sexual orientation, gender identity, or disability.

Requests for reasonable accommodations for a student with a disability may be directed to Mrs. Christina Ashby, principal, or Mrs. Kathleen Trimble, assistant principal.

Religion is required for each year a student attends St. Joseph School-Fullerton. All students enrolled in St. Joseph School-Fullerton must attend religion classes and services. We will always teach and act consistent with the tenets of the Catholic Church.

HARASSMENT AND BULLYING POLICIES

Harassment

Harassment or abuse of any kind is not acceptable behavior in St. Joseph School and will result in disciplinary action up to and including suspension/expulsion.

Policy

It is the policy of the Archdiocese to prohibit discrimination, including harassment, on the basis of race, color, sex, national origin, religion, age, disability or handicap, gender identity or expression, or protected activity (i.e., opposition to prohibited discrimination or participation in the complaint process) in its educational programs and activities. Each Catholic school shall adhere to this policy with respect to students. (Employees are similarly protected from harassment by a separate Archdiocesan policy.) A school is not required to adopt any rule, regulation, or policy that conflicts with its religious or moral teachings.

Scope

This policy applies to all students in Archdiocesan elementary, middle, and secondary schools. The Archdiocese neither condones nor tolerates harassment of students at school, at school-related activities or functions, or in any school-related setting. Harassment of students, whether engaged in by other students, teachers, administrators, or others, is prohibited. Violation of this policy is grounds for disciplinary action up to and including termination of employment or suspension or expulsion from school, depending on the nature and severity of the offense and the individual's disciplinary record.

Prohibited Conduct

For purposes of this policy, "harassment" means verbal or physical conduct that denigrates or shows hostility or aversion toward an individual because of his or her race, color, sex, national origin, religion, age, disability or handicap, gender identity or expression, sexual orientation, or protected activity, that:

- Has the purpose or effect of creating an intimidating, hostile or offensive environment;
- Has the purpose or effect of unreasonably interfering with an individual's academic performance; or
- Otherwise adversely affects an individual's educational opportunities.

Harassing conduct includes, but is not limited to, epithets, slurs, negative stereotyping, or threatening, intimidating, or hostile acts that relate to race, color, sex, national origin, religion, age, handicap or disability, gender identity, or expression. "Sexual" harassment includes unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when submission to or rejection of such conduct is used as the basis for educational

decisions or has the purpose or effect of unreasonably interfering with an individual's academic performance or creating an intimidating, hostile or offensive environment.

Procedure

- A. Any person who believes that a student is being subjected to harassment should immediately report the harassment to any one or more of the following individuals: the student's teacher, the principal of the school, the Superintendent of Catholic Schools. A bullying/harassment form should be filled out.
- B. Individuals are encouraged to report harassment early before it becomes severe or pervasive so that preventive action can be taken. All complaints will be investigated promptly, thoroughly, and impartially, and will remain confidential to the extent possible.
- C. Any retaliation, reprisals, or intimidation, whether by the alleged harasser or from another source, directed toward the complaining party or anyone else as a result of the filing or investigation of a harassment complaint is considered a serious violation of this policy and should be reported immediately.
- D. Once the investigation is complete, the school will take immediate and appropriate corrective action when it determines that this policy has been violated. The complaining party and the complained-of party will be advised of the investigation's findings and conclusions. A report of the findings will be forwarded to the Department of Catholic Schools.

Bullying Policy Statement

Bullying, harassment, or intimidation (as defined below) of any student is prohibited in all Archdiocese of Baltimore Schools. Retaliation or reprisal against anyone who reports such behaviors or participates in an investigation of a report is also prohibited. Such behaviors are contrary to school life in a Christ-centered community, which respects the dignity and uniqueness of all of God's children. To foster a school environment where all students are educated in a safe and caring atmosphere, all Archdiocesan schools will follow established procedures for bullying prevention, intervention, and response.

Discrimination and harassment of students on the basis of race, color, sex, national origin, religion, disability or handicap, gender identity or expression, and sexual orientation are also addressed under the Archdiocesan Student Harassment Policy in the Code of Conduct. Suspected abuse or neglect of students is addressed under the Policy for the Protection of Children and Youth.

“Bullying, harassment, or intimidation” means intentional conduct, including written, verbal, or physical conduct or an intentional electronic communication, that:

- A. Creates a hostile educational environment by substantially interfering with a student's educational benefits, opportunities, or performance or with a student's physical or psychological well-being and:

- Is motivated by an actual or a perceived personal characteristic including race, national origin, marital status, sex, sexual orientation, gender identity, religion, ancestry, physical attributes, socioeconomic status, familial status, or physical or mental ability or disability;
 - Is sexual in nature; or
 - Is threatening or seriously intimidating; and
- B. Occurs on school property, at a school activity or event, or on a school bus, or substantially disrupts the orderly operation of the school

Electronic Technology means a communication transmitted by means of an electronic device, including a telephone, cellular phone, computer, pager, etc.

Retaliation means any act of reprisal or revenge, i.e., getting back at a person for an act he/she committed (such as reporting misconduct)

Reporting Forms-These forms are located in the Main Office and on the school’s website. Please refer to the [AOB bullying policy](#) here.

The principal or designee will notify the parent/guardian of the alleged victim of a report of bullying, harassment or intimidation within three business days after the incident is reported.

ARRIVAL AND DISMISSAL PROCEDURES

The safety of our school community is of primary importance. Please drive slowly and follow the instructions of the teachers and directions in these guidelines. Safety Patrol Members and designated adults are responsible for helping provide a safe parking lot. Please cooperate with them at all times. We ask that all drivers always maintain a very minimal speed (no more than 5 MPH) on the parish/school property. Students should never leave school in an UBER, Lift, or any private transportation company.

Regular Arrival/Dismissal Time Schedule

Pre K- 7:35 - 2:35 p.m.
 Kindergarten- 7:35 - 2:45 p.m.
 Grades 1-8- 7:35 - 3:02 p.m.

Early Dismissal Schedule

Pre K-7: 35 - 11:35 p.m.
 Kindergarten- 7:35 - 11:45 p.m.
 Grades 1-8- 7:35 - 12:00 p.m.

Arrival

Students should arrive at school between 7:35 a.m. and 8:10 a.m. and report directly to their homeroom. Parents are not permitted to walk their students to class.

No supervision is available until 7:35 a.m. therefore students should not be dropped off prior to 7:35 a.m. Students coming for safety duty may report to their classroom at 7:20 a.m., not before.

Please check the map (found on the school website) for morning traffic patterns that protect the safety of our students and the discharge of passengers. Our one-way traffic patterns are for the protection of everyone. Please adhere to them.

Dismissal

Your patience is key to the safety of our students during every dismissal. Do not block fire lanes or the north driveway (extending to Belair Rd. near the Church). No drivers are to park in front of the gymnasium (except for Pre-K). If a problem persists, the principal will be notified.

Please check the map (on the school website) for dismissal traffic patterns. All lanes exit at the traffic signal. Please park bumper to bumper, but no parking lanes should extend back to the driveways, cones, or fences so that other cars may enter the main lot. This responsibility lies solely with you, our parents, and drivers, as teachers cannot assume parking lot duties until after the 3:02 p.m bell.

Your help is most important at this time of each day. Young students are crossing the lots on all sides of the building including the south side as they travel to The Gribbin Center for after-school care. Please follow the directions of the teachers and/or safeties. We appreciate your help greatly.

Students whose rides are not on time stay in an area near the Main Entrance called the “wait zone”. They are not allowed to use their cell phones while in the “wait zone”. See cell phone policy on pg 32. Please do not call or text your child telling them where to meet you. You should park and walk up to get them. Students may not leave that area once traffic begins moving and until the initial traffic has moved out. We ask that drivers not come and take students from this area once traffic has started moving. They will not be permitted to leave. Again, safety for our children is the primary concern.

On days of inclement weather, students will stay inside the school building if their driver is not in the main lot area. Students can view the parking lot from inside. We ask that you pull up in the lot and give them a moment or two to come out.

Students not picked up by 3:15 p.m. for grades 1-8 will be charged a fee of \$10 for the first 15 minutes and then \$5 for every 5 minutes after that. Charges for Pre-K will begin at 2:50 p.m. and for Kindergarten at 3:00 p.m.

Playground Policy

When school is in session, the playground may not be used by families or community members. If the playground is being used after school, proper parent/guardian supervision must be in place, and the playground may not be used after 3:00 due to the White Marsh Child Care after school program. If the playground is being used by a program for school, then it is closed to the public. Anyone using the playground must take their trash with them and close the gate when finished to ensure that it is ready and appropriate for the people that follow.

Supervision Responsibilities Before and After the Official School Day

Parents are required to follow the times stipulated when dropping off or picking up students. The school is not responsible for the supervision of students before or after the times stated below. The school is not liable for any injuries or accidents which may occur before or after the times stated above.

- Animals of any type are not permitted outside of cars. If you are arriving early to walk in the cemetery area, the animal should be put back into the car prior to students exiting the building. We have several students who are allergic and/or fearful.
- No playing, running, or roughhousing. Due to the staggered exit, some children have a few extra minutes to wait. However, this is not a safe place to play. No one should be by the windows as the older students are still receiving instruction. No one should be running, kicking, or throwing balls, especially near the St. Joseph Statue and Blessed Mother Statue. No one should be on the hill by the drive or in the trees as those are both dangerous. **If your child is waiting for older siblings, they need to calmly remain with an adult at all times.**
- Once your older child is dismissed, please head to your car so we can exit campus as safely and quickly as possible. All students should be in their car when the first car begins moving.

If your child is participating in a scheduled, supervised activity before or after the hours noted above, specific arrangements must be made for drop-off and/or pick-up at the designated times. If children are participating in before or after school care, parents must comply with the rules established by the program for drop-off and pick-up. It is the responsibility of the parent to notify their before and/or after school care of schedule changes.

ATTENDANCE

Regular attendance is considered essential for learning at St. Joseph School-Fullerton. Students need to develop the work habits and responsibilities required of all of us as we go through life. When a student is absent from school, a parent/legal guardian must telephone the school or input the absence online between 7:45 a.m. and 8:45 a.m. to report the reason for the absence. All absences and tardiness become part of a student's permanent record.

There are regularly scheduled vacations and holidays in the school calendar, which is based on mandated instructional days by the State of Maryland and the Archdiocese of Baltimore. Please check these ahead of time when scheduling trips or doctor's appointments. Permission may not be given by any teacher or administrator for students to be absent for extra vacations or holidays. These decisions are the responsibility of the parents. Prolonged unauthorized absences can and does affect students' grades and academic standing. The school cannot be responsible for the consequences of these absences. Personal instruction delivered by the teacher cannot be replicated. Missed work and assignments may only be obtained upon return and provided that missed work assignments may not be available for all absences, as they are dependent upon the nature of the work. Teachers are not responsible for creating alternative assignments or experiences for absent students.

We ask parents to keep sick children home, and they must be fever free without the use of medication for 24 hours to return. Students who are absent from school may not participate in any after school or evening school-sponsored events such as sports, dances, etc.

When he/she returns to school, the student must bring a written note to his/her homeroom teacher signed by a parent/legal guardian stating the reason for the absence. The school reserves the right to require a doctor's note for absences due to illness or injury or need for assessment/evaluation. A child may not return to school until he/she is well enough to participate in all school activities.

If a student will be out of school for an extended period, whether in a continuous or intermittent way, parents should consult with the administration regarding appropriate support of the student in fulfilling the school curriculum or alternative arrangements such as home and hospital services through the local public school district.

Per the AOB policy, a student marked absent for more than 20 instructional days in one school year is considered excessively absent and may result in the student being retained. The administration reserves the right to request a conference with parents of student with excessive absences and tardies at any point during the school year in order to make parents and students aware of the possible consequences of not attending school on a consistent basis.

All absences are noted on a student's progress report and PowerSchool regardless of the circumstance except for high school visitation (shadow) days. Eighth grade receives 3 days in the fall and seventh grade receives 1 day in the spring.

Early Departure/Late Arrivals

St. Joseph School-Fullerton discourages early departures and requests that families arrange medical and dental appointments, etc. after school hours, on early dismissal days, or during vacation periods. Check the calendar for days when school is not in session.

A student will be marked absent for the full day if they leave school before 10:00am or if they are not present at all. A student will be marked as attending a half day if they arrive after 10:00 am or leave before 1:00 pm.

Truancy

Truancy is defined as a student absenting him/herself from school without a parent/legal guardian permission, or leaving school grounds without permission during the school day. Truancy may result in disciplinary action up to and including suspension or expulsion.

Lateness/Assignments

Students may enter their homerooms at 7:35 a.m. The school day begins at 8:10 a.m. Any student arriving after 8:10 a.m. is considered late and must report to the Main Office/Front Desk for a late slip. Tardiness is entered on a student's permanent record. It is the responsibility of the student to check with the homeroom teacher to receive the necessary communication or work that may have been missed due to lateness.

ADMISSIONS

Application Process

The application portal for the upcoming 2024-2025 school year will open on Monday, August 1, 2023. The application, non-refundable \$50 application fee, and all checklist requirements are due no later than Friday, December 15, 2023, in order for your application to be considered in the regular admissions window. After that time, applications for any remaining available seats will be considered on a rolling basis. Notifications of admissions decisions will be sent on Friday, January 5, 2024. All applications will be evaluated using the Admission Policies set forth by our School Board and reviewed in the order listed below:

While reviewing applications, our team looks at prior-year grades, current-year grades, standardized test scores, teacher referrals, and the prospective student placement tests that were administered at SJS-Fullerton to find the proper placement for each student. Acceptance is also contingent on the successful completion of their current grade.

Behavior issues, financial issues, or hostile parents may be asked not to re-enroll.

Enrollment process

Once a student has been accepted and enrolls at St. Joseph School - Fullerton, there are some fees associated with the enrollment process. There is a nonrefundable “new student fee”; cost is TBD. Financial Information

Financial Obligations

All tuition is processed through the FACTS management program. Various payment plans are available.

St. Joseph School-Fullerton reserves the right to refuse to provide any official school record, including report cards and diplomas to a parent or other educational institution until all tuition, fees, and other obligations to SJS-Fullerton are satisfied in full. St. Joseph School-Fullerton will consider requests for exceptions to this policy on an individual basis if it judges extraordinary circumstances are demonstrated.

FACTS Tuition Management

FACTS Tuition Management collects all tuition payments. Enrollment in the FACTS Tuition Management is mandatory for all payment plans. In an effort to accommodate our students and their families, our school offers four options for tuition payment.

Payment Schedule Options

- A single tuition payment
- Two equal tuition payments
- Four equal tuition payments
- Ten equal tuition payments

FACTS will allow you to make payment(s) by:

- Automatic checking or savings account deductions (U.S. Banks Only)
- Credit Card – fees may apply

You can access FACTS and register for your payment plan for the 2024-2025 school year through the enrollment checklist in your SchoolAdmin account once tuition has been approved by the School Board.

In order to reserve a place for the 2024-2025 school year, the non-refundable student fees will be through your SchoolAdmin account. A student's registration is not complete, and therefore, a spot is not guaranteed until all SchoolAdmin checklist items are complete and the nonrefundable student fees are paid.

New Students

Tuition contracts must be completed before testing new students occurs. In addition to the non-refundable student fees, a TBD non-refundable fee will also be paid through your SchoolAdmin account.

Release of Tuition Obligation/Tuition Refund Policy for First-Year Families

Should a new family enroll at St. Joseph School-Fullerton and later decide to withdraw, responsibility for tuition payments may remain to compensate the school for expenses already incurred related to the student's education and the potential lost opportunity to fill that seat with another student. The amount of tuition obligation depends on the withdrawal date as specified below.

- Prior to August 1 (25% of annual tuition)
- Prior to the first day of school (50% of annual tuition)
- Prior to November 1 (75% of annual tuition)
- November 1 or later (100% of annual tuition)

Release of Tuition Obligation/Tuition Refund Policy for Current Families

For all returning families, upon re-enrollment of a student and execution of a tuition contract, the full year's tuition shall be considered payable. If a student should leave the school for any reason during the school year, the parent is responsible for tuition based upon the following schedule.

- On or before the first day of school (10% of annual tuition)
- On or before November 15 (40% of annual tuition)
- On or before February 15 (70% of annual tuition)
- February 16 or later (100% of annual tuition)

Release of Tuition Obligation/Tuition Refund Policy for All Families

Student fees paid at the contract signing are non-refundable and non-transferable regardless of the withdrawal date. Since individual student accounts are invoiced on a family basis, these policies will affect each child in the family. If an outgoing student leaves a balance due, the younger siblings will not be admitted to school until the outgoing student's balance is paid in full. No enrollment will be permitted in any other Archdiocesan school while tuition and/or fees are outstanding.

Financial Aid

Part of the parish's commitment to education is financial aid to families who are registered, supporting members of a parish who wish to consider our parish school as an educational alternative. Financial aid is also available from the Archdiocese of Baltimore. Application forms for aid are available online through FACTS. All deadlines must be met and are the responsibility of the applicant. No applications will be accepted after the posted deadlines unless unforeseen circumstances occur. These may include unexpected loss of employment, unexpected medical expenses, and family hardships. It is the responsibility of the applicant to make these special circumstances known to the school office during the school year. A letter describing the circumstances is all that is needed for consideration.

Catholic Tuition Rate

Through the Special Assessment of Catholic Schools, every parish within the Archdiocese of Baltimore supports Catholic Education based on the generosity of their parishioners. It is through this generosity that our Catholic families are afforded a discounted rate on tuition, as they are most often the direct supporters of this special assessment and contribute specifically to their parishes and the entire Archdiocese. A completed Parish Verification form must be returned to our school office in order to receive the Active Participating Catholic Rate if you attend a parish other than St. Joseph Church or are a new family to St. Joseph School-Fullerton. If the tuition amount in the tuition agreement is incorrect, please contact our Admissions office at 410-256-8026 or admissions@stjoeschool.org.

Policy Regarding Outstanding Tuition

Accounts are considered delinquent after the last working day of the month. Accounts that remain delinquent past 60 days will result in termination of access to PowerSchool information services and no report cards will be released until the account is brought current. Accounts that remain delinquent past 90 days are considered to be in default of contract. Re-registration will not be accepted for any student whose tuition account is 60 days or more past due. No student will be placed on a class list for the upcoming school year nor will records be released for any student whose tuition account is not up to date. A payment that is returned by your bank for any reason will result in a fee of \$30 to your account. Families are encouraged to communicate with our school office if circumstances change regarding tuition payments. St. Joseph School-Fullerton can work with the family to:

- Change payment dates
- Extend the payment period
- Offer more frequent payments at smaller amounts
- Emergency Tuition Assistance

If families do not communicate regarding the delinquency of tuition payments, St. Joseph School-Fullerton will:

- Turn off access to PowerSchool
- Deny participation in extracurricular activities
- Withhold the student from school
- Deny re-registration
- Withhold all records except, medical records

Transfers/Withdrawals

In case of withdrawal of a student from the school, parents are required to sign a release form (available in the school office) so that scholastic and health records may be forwarded when requested by the new school. Records cannot be hand-carried and will not be released unless proper forms are signed.

If a child withdraws during the school year, the amount of tuition owed at the time determines the refund or balance due.

Non-refundable Re-registration Fee for Current Students

The student fees ensure a spot for your child in the upcoming school year. Budgeting and plans can be made for resources and curricular activities once the class sizes have been determined.

DISCIPLINE

Statement on Philosophy of Discipline

St. Joseph School-Fullerton strives to develop responsible, courteous, self-disciplined boys and girls whose pride in themselves, their parents, their school, and their community is reflected in their behavior. The development of such young people requires a consistent practice of thoughtful, responsible behavior during these formative years. Students are made aware that they are an integral part of the faith community and that their actions affect themselves as well as the entire community. The ultimate purpose is to develop true Christian character and a sense of responsibility; to establish an atmosphere conducive to academic excellence; and to protect the welfare of the individual, as well as the school community.

Students may be disciplined for conduct that occurs on school premises or at school-sponsored events, or for other conduct that adversely affects the interests or reputation of the school regardless of where the conduct occurs.

To maintain a positive learning environment and standards that are consistent with our Christian philosophy, it is essential that students exhibit a sense of responsibility and respect for themselves as well as others.

Listed below are some behaviors that are unacceptable:

- Disrespect in manner and/or language
- Rowdiness
- Using the property of others without permission
- Dishonesty
- Disruptive Behavior
- Failure to have the necessary supplies for class work
- Dangerous Play
- Rudeness
- Vulgarity
- Dress Code Violations
- Gum
- Harassment of any kind by word or manner
- Possession or consumption of any drug or look-alike drug while at school or while attending a school function
- Possession or consumption of alcohol while at school or while attending a school

function

- Possession of knives/weapons or look-alike knives/weapons
- Possession of pornographic material(s)
- Smoking/using matches/vaping/gummies
- Willful destruction of school property
- Leaving school property without permission
- Theft or extortion
- Fighting or threats of violence
- Possession and/or use of a cell phone during the school day
- Severe uniform infractions
- Harassment

School sponsored after school activities are included in the definition of on-campus conduct. Generally, the teacher will deal with infractions. Should circumstances warrant, the parent and/or the Administration involved will be consulted. In cases of serious or repeated violations, students may be subject to disciplinary suspension or expulsion.

The school reserves the right to deny attendance or continued attendance to anyone whose behavior is contrary to the teachings and ideals of the school and/or whose behavior or attitude is disruptive to the functioning of the student body.

Demerit/Detention Policy

Depending on the severity, unacceptable behavior can result in a demerit, detention, suspension, or expulsion. If a student receives 3 demerits in one trimester, it will result in a detention. Multiple demerits/detentions may result in a conference with administration.

Students are expected to complete homework as assigned and to bring all necessary materials to each class every day. Communication in the form of an “Unprepared for Class” notice will come home to be signed and returned if your child misses homework or shows up to class without the needed materials. If a student receives three of these notices, it results in a demerit.

Social Media Policy

When it comes to social media, whether posted during school hours and on school property, or while occurring outside school hours and off the school property, if it creates a substantial disruption, the school can take action relative to support the school environment. Social media should reflect the values of St. Joseph - Fullerton and that of a Catholic school student.

Cell Phone Policy

Students do not need cell phones for anything school related, nor are they allowed to access them at any point during the day. We strongly suggest leaving them at home. If your child does bring a cell phone to school, it should be off as they enter the building and placed into the cell phone

holder in their homeroom. If students access their phone while on school premises, a consequence will be given. Consequences may include, but are not limited to:

- loss of privilege
- demerit
- detention
- suspension/expulsion

Cell phones are not allowed to be used in the wait zone at the end of the day, so please walk up to meet your child when you arrive.

Suspension and/or Expulsion Policy

The school's fair procedure to be used in cases of possible suspension or expulsion is as follows:

AOB Policy 2.1 and 3.0

- While on suspension, the student is still responsible for missed work. After the specified amount of time for suspension, which shall not exceed 3 consecutive school days, the student and parent/legal guardian(s) will meet with the Administration for reinstatement. The Administration reserves the right to determine the conditions for the reinstatement.
- An expelled student forfeits all privileges of the St. Joseph School Student. The Administration reserves the right to readmit an expelled student at a later date. If a student is to be expelled, the student is entitled to a prompt review procedure established by the Department of Catholic Schools. A written request for review must be submitted to the Superintendent of Catholic Schools within 10 working days of the notice of intent to expel. In some cases, parents are given the option to withdraw the student in lieu of expulsion.

Search and Seizure

St. Joseph School-Fullerton reserves the right to search school property (e.g., lockers, desks), a student's belongings, and areas under the student's control in order to enforce school policies, rules, and regulations or otherwise to preserve a safe and orderly learning environment.

Conflict Situations

Conflicts are a normal and healthy part of living and growing. The Administration will implement acceptable conflict resolution techniques to work towards a solution.

PBIS

The Archdiocese of Baltimore has implemented an evidence and research-based Anti-bullying Program, Positive Behavior Intervention and Support (PBIS). PBIS is a comprehensive framework in which schools focus on our Christ-centered teachings and values to create

nurturing, safe, positive, and supportive learning environments. Consistent school-wide expectations are visible throughout the school and students' positive behavior is acknowledged and celebrated. The PBIS framework adopts behavioral interventions into an integrated continuum that is designed to enhance academic and behavioral outcomes for every student.

Our motto, directly connects to our mascot, states that we are "*All Part of the P.A.C.K.*" in that, each day we:

Pray
Accept Responsibility
Cooperate
Keep Trying

HEALTH AND SAFETY

AHERA

In October 1986, the U.S. Congress enacted the Asbestos Hazard Emergency Response Act (AHERA). Under this law, comprehensive regulations were developed to address asbestos problems in public and private elementary and secondary schools. These regulations require most schools to inspect for friable and non-friable asbestos, develop asbestos management plans that address asbestos hazards in school buildings, and implement response actions in a timely manner. Our program for fulfilling these responsibilities is outlined in our asbestos management plan. This plan contains information on our inspections, re-inspections, response actions, and post-response action activities, including periodic surveillance activities that are planned or are in progress. The plan is kept in the principal's office and may be viewed upon request during normal business hours.

Maryland School Immunization Requirements

A child may not enter school unless he/she has submitted an official immunization record or other appropriate documentation of immunization status. The immunization record must have the month, day, and year of each vaccination and be signed by a physician or health department official. In the case of religious objection or medical contra-indication, form DHMH 89, must be submitted and kept on file and be approved by the school. Exempted students are to be excluded from school if there is an outbreak of the disease for which they are not immunized.

Dispensing of Medication

The administration of medication in school is discouraged. However, if a student's physician recommends that the student receive a prescription or over-the-counter medication during the school day, a written order from the physician is required. Medication can only be dispensed with a written order from the student's physician, specifying the start and stop date. The original medication container or box for inhalers must be brought to the school. These containers or boxes should include the following: name of the medication, directions for use, time for dispensing, name of the doctor ordering the medication, date of prescription, expiration date as

stated by the pharmacist, strength of medication/dosage, and student's name and grade.

Students may not possess, dispense, or distribute medication on their own. Under special circumstances, individual students may be authorized by their physician to carry and self-administer emergency medications (e.g. inhalers, epi-pens). In this case, the school nurse must be consulted. All medication must be delivered to school by a parent/guardian.

Calamine lotion and cough drops may be administered with a note from parents. Cough drops should be brought to school in the original package in a sealed plastic bag with the student's name on it. The package should be given to the student's teacher. Cough drops that contain an anesthetic will be kept in the nurse's office.

Communicable Diseases

Parents must call the school if their child is diagnosed with a communicable disease. The school must notify their county Health Department. All reports are confidential.

Reportable diseases include the following:

- COVID-19
- Influenza
- Measles – regular or German (Rubella)
- Tuberculosis
- Meningitis
- Whooping Cough (Pertussis)
- Hepatitis
- Rocky Mountain Spotted Fever
- Food Poisoning
- Human Immune Deficiency
- Mumps
- Virus Infection (AIDS and all other symptomatic infections)
- Adverse reactions to Pertussis Vaccine
- Lyme disease
- Animal bites / Rabies
- Chicken Pox (varicella)

Any student with drainage from the eyes associated with conjunctivitis (pink eye) must be kept at home until under treatment from a doctor. A doctor's note will be required for readmission to school. Students who have chickenpox are excluded from school until all lesions are scabbed over.

Health Records

Parents are required to complete a Health Form listing any allergies, serious medical conditions, medications, and emergency contact information. The school must be notified of any changes that occur during the school year.

Health Care Protocols

We ask that you follow the guidelines for how long your child must remain home:

- **Fever**-child must be fever free for 24 hours without the use of fever reducing medicine
- **Nausea/Vomiting/Diarrhea**- child must be symptom free for 24 hours
- **Strep Throat**-child must be on antibiotics for 24-48 hours before returning to school, and you must notify the nurse of the diagnosis for tracking purposes.
- **Influenza(Flu)/Pneumonia**-your child needs to be fever free without the use of fever reducing medicine, and you must notify the nurse of the diagnosis for tracking purposes.

Head Injury

If any injury to the head or any other serious injury occurs to a student, the nurse will call the parent and send home a report. The report is to be signed by the parent/guardian and returned to school. If the parent/guardian or an alternative contact person cannot be reached in an emergency, the school will contact the police/ambulance for assistance.

Insurance

The Office of Risk Management, on behalf of the Archdiocese of Baltimore, offers a voluntary student accident plan for school families to purchase. This coverage is an inexpensive way for families to cover co-pays, high deductibles, and may even provide accident coverage in the event that no other health coverage is available. If a family declines this coverage please be aware that any injuries sustained while at school or during school activities may not be covered by any Archdiocesan insurance policy. For more details regarding purchasing student accident insurance please visit www.archbalt.org/risk

Allergies

Parents must notify the school of their child's allergies including food allergies. School medication orders must be renewed each year by the physician and the order must be signed on or after July 1. If the student carries an EpiPen with them, the physician must state this requirement on the order.

Bloodborne Pathogens

A complete Bloodborne Pathogens Standard Exposure Control Plan has been established by the school and can be found in each Faculty Handbook and on file in the Office.

Vision/Hearing Screening

The school follows the directives of the Baltimore County Health Department and responds to parent's requests for individual testing.

This testing is usually done for:

- 1.) All new students who have not provided documentation for screening in the past year;
- 2.) All students the year they enter the school in Grades PreK, Kindergarten, 1, and 8;
- 3.) Grade 3 or Grade 4 if funding is available;
- 4.) Any student with a suspected hearing or vision problem as reported by school staff or parents/guardians.

Epi-Pen in Nurse's Office

As part of a new policy, we will now have a stock Epi-Pen on hand in the Nurse's office to be used in the event of a student or adult experiencing anaphylaxis. This is to be done in conjunction with calling 911 immediately.

Child Abuse and Neglect Reporting Policy and Procedures

Maryland law requires that all educators and other school employees, including volunteers, report suspected child abuse or neglect to the proper authorities in order that children may be protected from harm and the family may be helped. Our school policy supports Maryland laws in this regard and requires that all school staff report suspected abuse and neglect to the Department of Social Services, Protective Services Division, and/or the local police department, as well as to the Principal.

STUDENT SERVICES

IEP Referral Process

If a child is not progressing academically, the school may ask the parents/guardians to initiate or the parents/guardians may initiate on their own the process to request a professional consultation and/or evaluation through the local public school system. The evaluative process in general is called the IEP Process (Individual Educational Plan) and begins with a parent/guardian call to "Child Find". Following the initial phone call to the Local Educational Agency (LEA) Child Find, parents/guardians are given an initial meeting date within 30 days. At this initial meeting, parents/guardians and school faculty are invited to share their concerns, present information, and discuss where an evaluation will take place. Catholic school staff, in particular the student's teacher, is a vital part of this process.

If an evaluation is deemed warranted and takes place, recommendations, and an academic plan are developed and given to the parents/guardians at the summative meeting following the academic evaluation. If such a plan is developed and the test results determine that there is a need for accommodations and/or modifications within a student learning environment, the school administrator will consult with the parents/guardians to determine what accommodations,

resources, plans, and school placements may be implemented. When appropriate, a Students Accommodation Plan is developed at the child's Catholic School.

Before and After School Care

Before School and After School Care is provided by the White Marsh Child Care Center. Services are provided on-site (WMCC leases The Gribbin Center from the parish) or at a WMCC center. For further information contact Betty Huffman at 410-931-0555. Several other after-school providers have van service to and from St. Joseph School in the mornings and after school.

Lunch

There will be a hot lunch program offered by HASA this year. Please be sure to pack your child a lunch and drink on days they do not order.

School Activities/Organizations

St. Joseph School-Fullerton offers a myriad of after school/extracurricular activities. Please check the school website for the most updated information.

Field Trips

Field trips are considered an integral part of the school's educational program and a valuable learning experience for students. Field trips are scheduled at various times during the school year. In advance of the trip, a permission form, required by the Archdiocesan Department of Catholic Schools, is sent home. A student will be permitted to attend the trip only if the permission form is signed by the parent/guardian and returned to the teacher by the specified date along with any fee. The fee for trips is pulled directly from the student's FACTS account.

If for some extraordinary reason, a student is unable to participate, the student is expected to attend school on that day (exception is NorthBay for 6th graders) and fees must still be paid since the rates we are quoted reflect total participation. Work will be supplied by the teacher(s), and the student will be assigned a classroom in which to work under the supervision of a staff member. If a student is unable to attend because of illness, we cannot promise a refund. The teacher must be notified if a child will not participate in the field trip experience. Students who are kept home from the trip will be marked absent. Parent(s)/Guardian(s) are encouraged to participate as chaperones on field trips as the need arises. However, because of safety and liability factors, pre-school siblings and other school-age siblings are not allowed. We do not permit parents not selected as chaperones to join the group at the trip destination as this creates confusion. All chaperones are **required** to complete VIRTUS training.

Guidance and Counseling

The school counselor is here to serve students, parents, and teachers. Classroom programs for groups and grade levels are provided as well as one on one or small group interventions. A school counselor is NOT a therapist. She/he works with a school community, offers input, aides in assessment, and completes referrals as needed. Working with the school counselor can be requested by a teacher, parents, or students. If a parent has an objection to one on one sessions with the counselor, the parent must send his/her objections to the school in writing.

Speech and Language Services

Referrals are made by the classroom teacher or as a result of testing. Services are offered by a Baltimore County Public School employee.

Title I

Services are available to those students who qualify through either Baltimore County or Baltimore City.

SCHOOL UNIFORMS/DRESS CODE

The School Board designates a specific manner of dress for students. The purpose of the dress code is to provide an atmosphere conducive to learning and to assist in the maintenance of discipline and respect. Children must be in full uniform each day beginning with the first day of school. All uniforms should be purchased from Flynn O'Hara so that styles, colors, etc., are uniform and consistent. Repeated failure to comply with the dress code will be addressed by the principal. Continuing failure to conform to the dress code can result in a student not attending classes.

Uniform Infractions

The school uniform is set in place, and the expectation is to be followed daily as the students enter the building. Teachers as well as the principal and /or assistant principal will conduct a uniform check-in with each homeroom periodically during the year to assure that ALL students are adhering to the policy set forth by the school.

The final decision as to what constitutes proper, appropriate dress and grooming rests with the administration. The penalty for violations of these norms can be a detention. No warning needs to be given. However, “Uniform Infraction” slips may be sent home as a courtesy. If a student receives multiple slips for the same infraction, a detention may be issued. Students and parents who have questions regarding the uniform policy or grooming should consult with the Principal or Assistant Principal before appearing in school with them.

Lost and Found

All clothes and belongings must be labeled with the child’s name. If lost, articles are put in the Lost and Found bin. The school will do its best to get items that are found back to students if the items are labeled with the student’s name. Items not claimed are donated to charity twice a year.
