State of the School

This year we will hold our State of the School in-person on April 19th at 6pm in the Parish Center and I encourage you all to attend. This is an informative meeting for you to hear about the progress of our school, plans for next year and the successes as well as the challenges we have had this year. Out of respect for everyone's time, it will not be an open forum, however any questions you would like addressed can be submitted using [this form](#). I look forward to seeing you all then!

Boost Update

Recently it was voted that the BOOST program will continue with no current plan to phase it out! This is wonderful news for so many in our Catholic Schools. Thank you to those who emailed or called our local government officials. Your advocacy made a true difference, and we appreciate you speaking up!
