Your votes are needed for the **Teacher of the Year!** Please [VOTE HERE](#) for who you think deserves to be our 2023 Teacher of the Year. The last day to vote is Friday, January 20th.

Earlier today, you received a letter from me and Father Jesse encouraging all of you to **Give 8"** starting next school year. Some ideas of how you can easily do this were included. Parking Lot Reminders

Please remember that it is essential that everyone follows our parking lot procedures in the morning and at pick-up to keep our campus safe.

- In the morning, please continue to create the snake line, even if it seems quicker not to. It can create a long and unsafe backup onto Belair Rd when we do not form the snake line.
- Please also make TWO lines in the long driveway in the mornings to avoid any cars sticking out onto Belair Rd.
- Everyone should be parking in the main lot at pick-up unless you are a PreK-only parent.
- All lines in the parking lot for dismissal should be straight so the lot can be filled in an organized manner. This will help with the flow of leaving campus as well.
- In order for our dismissal schedule to stay prompt, parents with only Kindergarteners should exit campus immediately after getting their children.
- No children should be playing in the parking lot, on the hill, or by the statue of St. Joseph, as this can be dangerous.
