# ST. JOSEPH SCHOOL FULLERTON

*Woffpack Weekly*

What's Coming Up @SJS-Fullerton!

---

## From the Principal's Desk

We are looking forward to a wonderful week next week to celebrate Catholic Schools Week and all of the amazing aspects that make SJS-Fullerton such a wonderful place to be part of! The [schedule of events](#) went home with your child yesterday. We hope to see you on Wednesday, February 1 for Mass at 8:30, followed by a small reception in the Parish Center, then time in your child's classroom from 9:30-11. If you are joining us, today is the last day to [RSVP](#).

SJS-Fullerton values and needs input from the community! In the coming weeks, you will receive a link to the School Culture 360™ Survey that has been developed by researchers at the Institute for Education Policy at Johns Hopkins University. Each year, it is critical for school leaders to have reliable data to assess their school environments. This survey can identify areas for celebration, areas for growth, and disconnects between different groups of participants. By sharing your thoughts about your school's environment, you will provide useful insights that may otherwise go unnoticed. Thank you so much for your help.

Thank you all for your positive feedback regarding the letter that Father Jesse and I sent out last week. We are excited that so many of you are willing to "Give 8" in a variety of ways that will help this campus continue to grow and flourish!

## ICYMI

### Happy Grams - Today is the Last Day to Purchase

Happy Grams return as part of Catholic Schools Week's Student Appreciation Day! There are limited items left, some items have and will sell out. [Click here to order by January 25](#) Happy Grams will be delivered to students on Friday, February 3.

### Hot Spot Raffle - Purchase by January 27

Want to be the first car off the lot at dismissal? Enter the Hot Spot Raffle to earn your chance to be the first car off the lot for an entire month! [Purchase here by January 27th](#).

### Parking Lot Reminders

Please remember that it is essential that everyone follows our parking lot procedures in the morning and at pick-up to keep our campus safe.

- In the morning, please continue to create the snake line, even if it seems quicker not to. It can create a long and unsafe backup onto Belair Rd when we do not form the snake line.
- Please also make TWO lines in the long driveway in the mornings to avoid any cars sticking out onto Belair Rd.
- Everyone should be parking in the main lot at pick-up unless you are a PreK-only parent.
- All lines in the parking lot for dismissal should be straight so the lot can be filled in an organized manner. This will help with the flow of leaving campus as well.
- In order for our dismissal schedule to stay prompt, parents with only Kindergarteners should exit campus immediately after getting their children.
- No children should be playing in the parking lot, on the hill, or by the statue of St. Joseph, as this can be dangerous.
