Envelope # _____

The Catholic family listed above is in the process of enrolling their child/children at St. Joseph School. Catholics meeting certain requirements are extended a reduced rate for tuition, which is primarily based on their active involvement in their parish. Unfortunately, the only means we must look at this is the number of envelopes that people use. Generally, the number of envelopes used can be a reliable indicator of participation in the worship of the community. Let me assure you that our concern here focuses on the participation in worship and not on the amount given.

In order to determine that they are an active parishioner in good standing at your Church, we ask that you please review their record for envelope usage during the last year. Our guideline is that parishioners attend mass at least twice a month. Should you have any questions concerning this request, please contact St. Joseph School at 410-256-8026, attention Angie Corno.

Would you consider the above parishioner to be active in the last year?
