

Meet the School Counselor

About Me

Welcome back to our new and returning families. I hope you all had a great summer!

My name is Mrs. Grace and this is my 4th school year at Saint Joseph School. My favorite part of my job is building relationships with students, providing emotional support, teaching problem-solving skills and providing a safe space for students to succeed.

Parents, please feel free to reach out anytime to request community resources, understanding typical developmental changes, improving parent-child communication or any additional supports. I look forward to having a great school year!
