### **Race for Education | Friday, May 13, 2022 | During School Day\***

Our students run laps on campus to raise funds to help us continue to make important upgrades to our building in addition to further enhancing our curriculum. The money raised has helped build a new playground, create a multimedia center, and upgrade the campus security system. In 2021, the generosity of our donors and sponsors contributed to our goal of renovating our gymnasium... a project that we're excited to say is underway!
