

Family Referral Program

Our Wolfpack pays it back!

When new families express interest in St. Joseph School-Fullerton, it's most often because a family like yours spread the word about the good things we do. We want to thank you for that!

Whenever a new family joins us for an Open House, a Private Tour, or mentions your name in their application as their referring friend or family member, you will be entered into a drawing for a

\$500 tuition credit!

**Be sure to read the
FAQs on the back!**
