What's Coming Up @SJS-Fullerton!

From the Principal's Desk

Continuing this month of gratitude, I am so thankful for all who serve and have served our country. **As we honor all veterans this weekend, I would like to particularly thank the veterans who are a part of our School and Parish community.** Our 8th graders assisted the Knights of Columbus in placing flags in our Parish cemetery today, which was a respectful gesture and an excellent experience for our students.

There is no better way to **show your gratitude than to celebrate Mass. This weekend is our Second Sunday School Mass at 10:30am.** I hope that you are all able to join us!

Clarifications on the new Technology Insurance Program (TIP) and increase in student fees:

- The policy goes into effect July 1, 2024. As a result, it will not apply to our current 8th grade students, but it will apply to our current PreK-7th graders.
- The \$200 fee increase covers technology licensing, certificates, and web-based programs used by students, not the actual cost of the device.
- All devices are purchased through SJS-Fullerton and will remain at school until the end of the student's 5th and 8th grade years.
- Students will be assigned the same device for 2nd to 5th grades. A new device will be assigned for use in 6th through 8th grades.
- The name 'Rent-to-Own' was sent out prematurely, and it does not adequately describe the program. While the \$200 increase in student fees covers the cost of the technology associated with all devices, it is important to note that the device is not actually being rented. Instead, we are providing each student with the opportunity to keep their Chromebook at the end of their 5th and 8th-grade years, as the short lifespan of these devices means they would otherwise be discarded.
- Families cannot opt out of the \$200 technology fee, but they can opt out of the \$50 per year Technology Insurance Protection plan.
