

ST. JOSEPH SCHOOL FULLERTON

Woffpack Weekly

What's Coming Up @SJS-Fullerton!

From the Principal's Desk

As we settle back into the routines of school, things seem to be off to a great start! It was nice to see so many of you at Back to School Night last week. If you were unable to attend, please take a minute to review the [general school slides](#). You can find the teachers' slides posted on their [websites](#).

Yesterday, we sent out a message regarding our milk program. At this time, we are going to suspend offering milk to our students due to production and supply issues. We will return all money collected to you as soon as possible.

Recently, there have been many students with the Hand, Foot, and Mouth virus. I bring this to your attention so that if your child has a fever, you look at their hands and feet for a possible rash. In efforts to reduce transmission, we added extra cleaning to the high-touch areas of the school. Please review this [fact sheet](#) and contact [Nurse Mary](#) with any questions.
