

ST. JOSEPH SCHOOL - FULLERTON

TOGETHER WE LEARN, PRAY, AND SERVE

March 12, 2020

Good Evening St. Joseph School Family,

Archbishop William E. Lori issued the following statement following the press conference of Maryland Governor Larry Hogan:

“In light of the order today by Governor Hogan that all public schools be closed for the next two weeks, I have similarly instructed that all archdiocesan schools be closed during the same time period, March 16-27, 2020 and that all school-sponsored activities be cancelled during that same timeframe. In addition, I have instructed all parishes of the Archdiocese of Baltimore to comply with the Governor’s order by limiting attendance at all Masses and parish-sponsored events, regardless of location, to no more than 250 people until further notice.”

As was stated in our previous email our teachers will be meeting tomorrow to discuss our academic course of action and we will share our plan via email tomorrow.

God Bless,
Ken Pipkin and Chrissie Ashby
